

BREAST AUGMENTATION PATIENT

Dear Dr Mayson,

Thank you for my new & improved breasts! I love them & so does my husband! It is a wonderful feeling to finally be able to fill out a top — giving me much more confidence. I actually burst into tears the first time I tried on a bikini top! (Happy tears!)

Thank you Dr Mayson & Debbie for your professionalism, genuine compassion & care. I really felt like I was a person who mattered & not just another patient.

I never felt any hesitation about going ahead

with the procedure. I really did not want the "stuck-on" half coconut look — & after seeing the photos of your work & the comprehensive consultations, I felt confident you could achieve the desired look. They look & feel so soft & natural — I wish I'd done it years ago!

I would also like to extend my thanks to the staff of Kingsgrove Day Hospital. Their friendly & courteous manner made me feel at ease

(I wasn't even nervous about the surgery!). Thank you again for boosting my bust & my confidence!

Yours faithfully,
