

BREAST AUGMENTATION PATIENT

Dear Dr. Magnus

Three years ago this September, I had a breast augmentation! I have had no problems & am so happy with my breasts.

I write because I want to say a HUGE THANKS!! You were so professional & caring - I knew I was in good hands. I recommend you very highly to my friends & thank you & your wonderful caring, friendly staff who don't mind my silly questions from time to time.

Thank you very much & health & good wishes to you & your loved ones
